STAND BY YOUR MAN

Tammy Wynette

Sometimes it's hard to be a woman
Giving all your love to just one man

You'll have bad times
And he'll have good times
Doing things that you don't understand

But if you love him
You'll forgive him
Even though he's hard to understand

And if you love him
Oh, Be proud of him
'Cause after all he's just a man

Stand by your man
Give him two arms to cling to
And something warm to come to
When nights are cold and lonely

Stand by your man
And tell the world you love him
Keep giving all the love you can
Stand by your man

Stand by your man
And show the world you love him
Keep giving all the love you can
Stand by your man
