Additional Lyrics

2. I see you in that chair with perfect skin;
Well, how have you been, baby, livin' in sin?
Hey, I gotta know, did you say hello?
How do you do?
Instrumental (8 bars)

Spoken:
Well, here we are spending time in the louder part of town,
And it feels like everything's surreal.
When I get old I will wait outside your house,
'Cause your hands have got the power meant to heal. (To Chorus)
